

# SYED SAAD AHMED

---

## Career Objective

Aspiring Web Developer with a passion for creating dynamic and user-friendly websites and web applications. Eager to leverage my skills in HTML, CSS, JavaScript, and modern web development frameworks to contribute to innovative projects. Seeking an entry-level position where I can grow and develop my technical skills while delivering impactful digital solutions.

## Work Experience

### **Freelancer - Web Developer, Photoshop, and 3D Artist**

- Developed and maintained websites for various clients, ensuring high performance and user experience.
- Utilized Adobe Photoshop for graphic design, creating visually appealing and professional designs for web and print.
- Created 3D models Using Three.js animations for projects, enhancing visual content and engagement.
- Successfully managed multiple projects simultaneously, delivering quality work within deadlines.
- Collaborated with clients to understand their requirements and provide customized solutions.
- Gained experience in web development, graphic design, and 3D modelling tools and techniques.

## Skill Development

**Self-taught Web Development:** Acquired comprehensive web development skills through YouTube tutorials and online resources.

- Learned HTML, CSS, and JavaScript from channels like FreeCodeCamp
- Gained proficiency in React.js and Node.js by following in-depth tutorials from Channels like Chai and Code, Sheryians Coding School and Apna College
- Enhanced knowledge of responsive design and UX/UI principles through practical projects and online lessons.

## Projects

- **QuizzzyPedia**  
Create an PHP based Web Application to create and manage online quiz
- **Infozoid**  
Created a team project Using Python and Django where users can upvote / downvote various information on a platform

## Additional Details

Participated in an open-source project, contributing code and collaborating with developers globally.

Supported a small nonprofit by implementing an e-commerce solution to sell handmade products and support their mission.
